

CERTIFICATION OF PURIFIED AIR

STERIL-AIRE™

SAMPLE CERTIFICATE

The air from the air-conditioner in this space is purified by the most advanced air cleaner; Steril-Aire's UVC High-Power Emitter™, and is 99% free of bacteria, mold spores and viruses.

Robert Scheir

Dr. Robert Scheir, PhD, President, Steril-Aire

Direct exposure to UVC light is dangerous.
The UVC Emitter™ tube must be changed annually to be effective.
